Trump and the Mexican Other: Theoretical Reflections on Nativism
Dr. Jorge Capetillo-Ponce, Associate Professor of Sociology, University of Massachusetts, will present the historical rise of nativism and how it links to immigration in the United States, specifically within the presidential campaign of Donald Trump and how this affects the Mexican community in the United States and the Latina/o vote.

Date: Thursday, April 21, 2016
Time: 4:00-6:00pm
Location: Graduate Student Success Center (PLS-365)
