Resume Review  
**Wednesday, February 18, 2015, 10:00 a – 2:45p in LH 208 (Career Center)**  
Career Center staff will be available to review your resume and provide recommendations. No appointment necessary, just walk-in to the Career Center.

ECS Career Fair  
**Thursday, February 19, 2015, 10a-2p @ Titan Student Union**  
Come prepared to meet employers seeking engineering and computer science majors.

STEM Inc ECS Tour  
**Friday, February 20, 2015, 9a-3p @ ECS**  
Middle school students from Anaheim Unified School District will tour ECS labs, meet faculty and staff and learn about the engineering and computer science in an interactive manner.

ECS Workshops  
**Monday, February 23, 2015, 11:30a-12:30p in CS201 (CASECS)**  
Attend workshops in technical engineering and computer science for students, by students. Learn from your peers about topics beyond your coursework like computer hacking and complex car design.

Alumni Panel/Mixer  
**Monday, February 23, 2015, 7:30-9p in CS 301**  
All ECS students are welcome to attend a meet and greet with engineers who graduated from CSUF and are now in industry. Stop by to network with interdisciplinary, successful engineers and computer scientists and see what life is like after undergraduate studies.

Meet the Clubs Day  
**Tuesday, February 24, 2015, 11:30a -1:30p @ ECS Quad**  
All ECS students are invited to Meet the ECS Clubs Day and learn how to join ECS clubs, interact with students, faculty and staff. Free Lunch will be provided!

Professor for a Day and Dean’s List Luncheon  
**Wednesday, February, 25, 2014, 12:00p-2:00p**  
Engineering and Computer Science industry professionals will be taking the place of professors in the morning of this event. The allocated lecture time of chosen professors will be handed to an industry professional to have an open discussion on a range of technical topics. In the afternoon the Dean will host a luncheon for guest professors and ECS students who have earned a spot on the Dean’s List.

Thales Raytheon Systems (TRS) SWE- Shadow An Engineer Day  
**Friday, February 27, 2015, 7:40a -3:30p @ TRS in El Segundo**  
Female students from the CSUF Society of Women Engineers will participate in the Shadow and Engineer Day at the Raytheon facility in El Segundo.
